Player Eligibility

A. All tournament players must:

1. Have been sanctioned by the National Dart Association for the 2012-2013 membership year to compete.
2. Play in leagues conducted by National Dart Association Operator members in good standing and are in compliance with all league-sanctioning guidelines.
3. Compete during regular league play on machines owned and operated by National Dart Association Operator members.
4. Be entered in the tournament by the National Dart Association Operator on whose machine(s) they have completed the minimum game requirements for tournament entry.
5. Have a National Dart Association Player Skill Rating using the Points Per Dart (PPD) and/or Marks Per Round (MPR) performance rating system for the event in which they are entered to be classified. These performance ratings require a player to compete in 24 games in a single season for that event. **Minimum time to obtain a Player Skill Rating is four separate league nights in four different weeks.** Players without a valid PPD or MPR will be classified as a Level 1 player. (See *Player Classification and Documentation Requirements for additional details.*)
6. Be at least 18 years of age and comply with the regulations of local, state, and federal laws in which they compete in leagues.

B. All tournament teams must:

1. For 4-Person Team event:

Declare a full team roster, including substitutes, when registering. Participate in the same league system and have formed a tournament team meeting the criteria. Each person on the team roster must also meet all of the player requirements listed under Player/Team Eligibility.

2. For Mixed Doubles event:

Participate in the same league system and have formed a tournament team meeting the criteria. Teams consist of one female and one male player. Each person on the team roster must also meet all of the player requirements listed under Player/Team Eligibility.

3. For Open Doubles event:

Can be from different league systems. Have formed a tournament team meeting the criteria. Each person on the team roster must also meet all of the player requirements listed under Player/Team Eligibility.

Substitute players for Doubles and Teams: (prior to December 14):

Teams may use a substitute from within the same league system as long as the substitute player has competed in the same league format as the regular players. Regular team substitutes should be entered on the regular player certificate.

Onsite Alternate Rule (applies after December 14):

An alternate must be from the same league system and meet all the player requirements noted in Player/Team Eligibility. Alternate players must be rated equal to or less than the player they are replacing. It is recommended that possible alternates be submitted, with their statistics, prior to the tournament by your operator to avoid delays. Onsite approval for alternates not already participating in the tournament can be requested by a Operator, with appropriate league statistics, within the time frame noted. For mixed events, the alternate player must also be of the same gender. No roster changes are allowed in finals. Absolutely no one can serve as an alternate on more than one team per event. Any players on your team roster for that event may be rotated in match-by-match, not between games.

IMPORTANT INFORMATION FOR *ONSITE* ALTERNATES

- Alternate must be from the same league system.
- Alternate must meet all eligibility requirements with stats on file on-site.
- Alternate's skill rating must be **LESS THAN** or **EQUAL TO** the player they are replacing.
- In mixed events, the alternate must be of the same gender.

IMPORTANT INFORMATION ON FORFEITING IN TEAM EVENT

If a team should not finish a round robin for any reason, the following procedures will apply.

- A) If the advancement of teams is affected, all wins obtained against the offending team will be subtracted from the win totals.
- B) If no team advancement is affected, all win totals will stay intact.
- C) Any team (all rostered players) not completing a round robin will be suspended from competition in Colorado NDA State Tournament for two years.

For emergency situations, tournament committee will review each case and determine if suspension is valid or not.
